Limiting searches to certain libraries in leitir.is

http://leitir.is
Library Search

- The search is limited to titles owned by a library
- All libraries that own items of a title appear under the **locations & requests** tab, but records that do not belong to the chosen library are excluded from the search results
Library Search

Choose a group

Junior colleges
Select library

Select your library from the drop-down menu
Search in the selected library
Search in the selected library

All libraries that own items of the title appear in the list but other records that do not belong to the chosen library are excluded from the search results.
Select Location

Select location from the drop-down menu
Search all material

Same search as on the leitir.is homepage
